Lin Schreiber will help people step out of the often deadening box of a traditional retirement and into the enlivening world of creating this next stage of life as it is meant to be lived... fully, joyfully, and deliciously.

Lin is a master at creating exciting new chapters in her life. From single career gal to wife and step-mom to two preadolescent boys; from successful entrepreneur to national television producer; from producer of Boston's Fourth of July on the Esplanade Event for a half a million people to her first "retirement" as an international coach and speaker, Lin knows what it takes to keep life remarkably juicy.

She has successfully found her purpose and uses it to fuel a healthy, happy and prosperous life.

Her mission is to eradicate the traditional concept of a "ride off into the sunset" retirement and inspire people to open to the countless and splendid possibilities for the next stage of life.

Lin is delivering the keynote, (Perfectly Legal) Ways to Awaken Your Passion, Fire Up Your Purpose, & Ignite Your Pizzazz!, at the annual Life Options Conference, Newark (Delaware) Senior Center on Friday, February 9, 2007. Attendees will learn:

1. Why too much golf can be dangerous to their health.
2. The 14 "Must Have" Retirement Requirements That Don't Have Anything to Do With Money.
3. The 7 Illusions, Delusions and Downright Lies About Retirement.

Lin is featured on the PBS series Boomers: Redefining Life After 50.
